

Validating Your Patient Portal Account

STEP 1: Following successful account set up you will receive an email from RxLocal

Congratulations!

Your RxLocal account has been created successfully.

In order to sign in and use your account, you must first validate the email address that you provided in the registration process.

Click on the link below to finish validating your account:

<https://rxlocal.us/ppval?emailcode=RTF4CYH7U>

This code expires on **Sunday Apr. 28, 2019 at 10:48 AM.**

If the code has expired, you can request a new code from the link above. Once you have validated your email address, you will be able to sign in and use your account without restriction.

Thanks for being an RxLocal user!

The RxLocal Team

STEP 2: After clicking the link you will be redirected back to RxLocal

The email code should auto-populate

- If not the code is in the link you were emailed

After clicking Validate you will enter your patient portal
